Wooden bike  
Athina

Info Paper No 841

COCO-MAT  
sleep on nature

## Wood wisdom

---

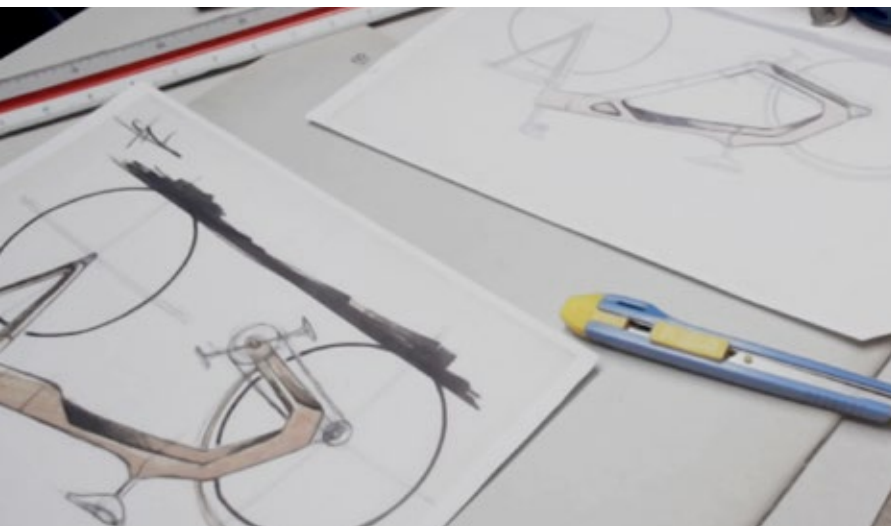

We plant it, nature takes care of it, our inspired craftsmen treat it.

Bee wax is the final touch given from those who have a great relationship with themselves and society.

Solid wood, Greek, treated with passion and pride, will accompany you for the rest of your life.

**The best bike in the whole world!**

► Wood ► Stainless steel ► Designers ► Craftsmen ► Perfectionists  
**All in the same orchestra.**

# Innovation in Design

- \_Solid wood
- \_18 kg weight

Upon request, we carve your customer's name or a slogan on the bike, like the 'sleepgreen' for a customer in Lucerne, Switzerland.

## Delivery

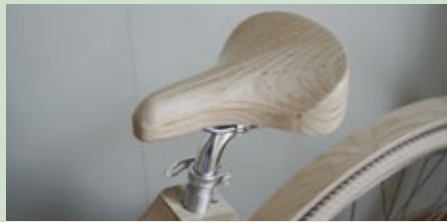

60 days upon placement of the order

In order to maintain the beauty of the wood, we and you, take care of it with ecological water varnish.

The final touch is done with bee wax.

Comfortable wooden saddle, adjustable at the preferred height.

Front brake (tabouro) from Sturmey-Archer.

28"

Equipped with Stram Automatrix two-speed hub, which will change gear automatically for you based on your speed.

Wooden pedals

By cycling backwards, the bike decelerates.

# Hospitality

**For our customers /ambassadors we offer seven (7) nights in hotels which are equipped with COCO-MAT products, upon approval from our hotel department who will check for availability.**

*(more info at [www.coco-mat-hotels.com](http://www.coco-mat-hotels.com)).*

Its a unique opportunity for our customers to engage with our philosophy and hospitality which is “Natural all the way”.

# Sustainability

An old oak tree will give us around 50 bikes. We plant its 3 year old child and we water it for two summer periods. Its child, gives us a bike every year.

Our goal is to plant an entire oak forest!

**We did it! We made it!**  
**We are in love with it!**
